Magnet # 20 Soul Mate One

Remember our first kiss  
...my heart fluttered!

-Not For Use-Viewing Only-Not For Printing-  
PARKER ORIGINALS & More!

The sun always rises and sets .. but  
with my soul mate it does not matter  
if it is in a house on the hill or a little  
wood framed place. Our love is  
forever no matter the time or space.

You see being one with you is a  
special treat and I want to continue  
to explore what makes our hearts and  
souls one .. soul mates destined to be.

Yes...Yes...confusion and disappointment  
has its place too. But it is only short  
lived, because we listen with our minds  
open to adjust to what each of us  
must do.

**I Remember our last kiss...it  
made me smile...Kiss Me Again!**
