**Remember it is these moments  
that reminds us of what we have  
as family. The joy of being  
together...sharing the good and  
bad as one. One is a word for  
GRACE that allows growth and  
purpose to prevail. It yields one  
path to peace and happiness. It  
is these moments we must count as  
blessings. We must give God the praise  
for still we are standing as family!**

Magnet # 22 Teacher Talk

**Teacher<sup>TM</sup>TALK**  
**WHERE ALL WISDOM COMES FROM!**

*Thank you for your kindness and willness to share.  
Thank you for the encouragement when others  
only frowned and stared. Thank you for dreaming  
dreams I couldn't see. Thank you being present  
when others ran away. Thank you for teaching me  
to try and try again. Thank you for caring when  
caring mattered most. Thank You...Yes Thank You  
for believing in me. Teachers are God's special  
angels who see the possibilities of those they  
shepherd along the way. They strike the first blow  
as heroes saving children each day. They are the  
ones we reminisce about as we get old. We smile  
and laugh as we remember the teacher who  
touched our soul.*
