*Remember To Love Yourself First And You
Will Have More Love To Give To Others!*

SISTER TALK™...

Good friends are like pearls always perfect for any occasions. Yes, good friendships carry us through all life has to offer and how blessed am I to have you. We have grown together like blood sisters do...walking as one and sharing wise word too. Friendships are like homemade soups, perfect each time and needed for everything we go through. Yes, unconditional love is always around and kind words when others provide frowns. So remember as you read this today...you are my "Shero" ..." My Friend" who always makes me smile and laugh through the day. Abundance is our gift of friendship that will always see us through what life has to offer...how blessed we are God made a friend like you.
