Magnet # 27 Blessings Of Good People

**Blessings^{Of}
GOOD PEOPLE**

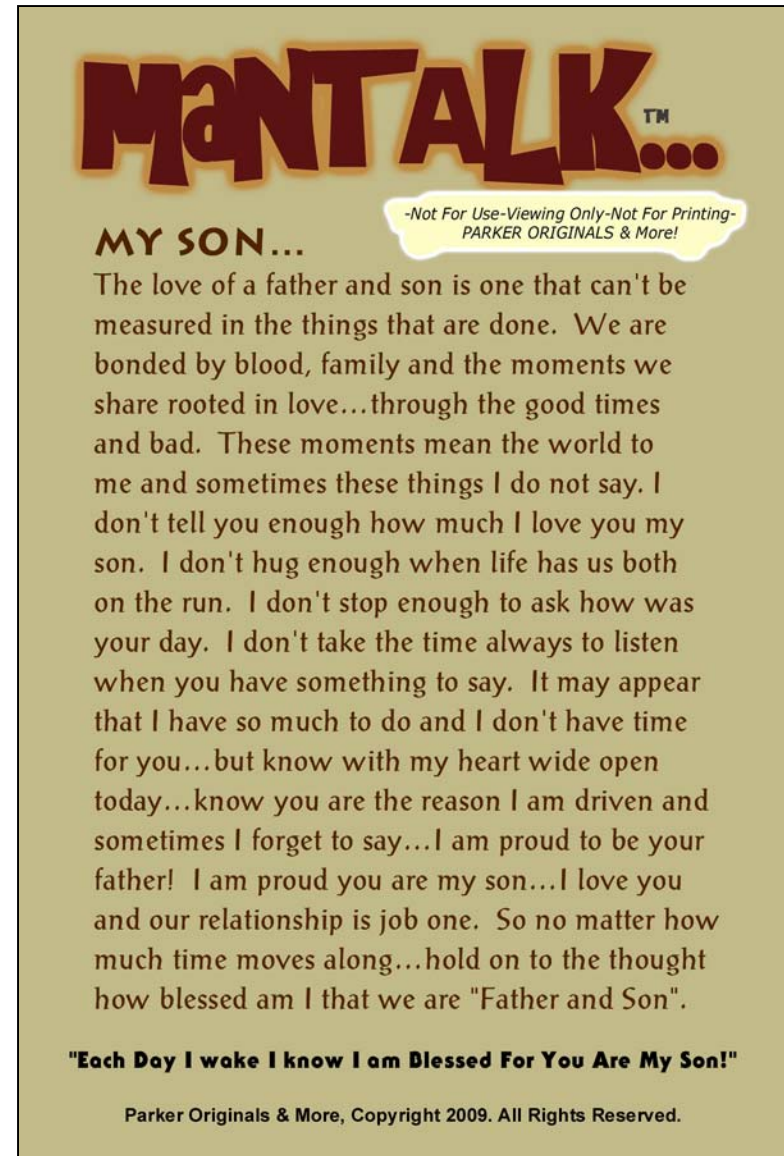

*Blessings Of Good People... We are always
Moving Too Fast!...Working Too Much!...
Too Busy!... too involved to slow down and
share with others what we think! So today
slow down... take a deep breath and simply
enjoy! Celebrate your life and the goodness
you share with others. Your kindness has no
bounds and because of all the little things
you do ... the world is a nicer place. Always
remember... you are a "Blessing" and one
of the "Good People"!*

MY SON...

The love of a father and son is one that can't be measured in the things that are done. We are bonded by blood, family and the moments we share rooted in love...through the good times and bad. These moments mean the world to me and sometimes these things I do not say. I don't tell you enough how much I love you my son. I don't hug enough when life has us both on the run. I don't stop enough to ask how was your day. I don't take the time always to listen when you have something to say. It may appear that I have so much to do and I don't have time for you...but know with my heart wide open today...know you are the reason I am driven and sometimes I forget to say...I am proud to be your father! I am proud you are my son...I love you and our relationship is job one. So no matter how much time moves along...hold on to the thought how blessed am I that we are "Father and Son".
