**A Mother's Love!**

*No day passes without knowing the joy of my mother's love. Your love has yielded many blessings in my life through your kindness and willingness to always be there. You are always the first to answer the call for help and say... "Tomorrow Will Be Better". You are the eternal optimist when it comes to those you love...seeing only their potential and the possibilities of God's Grace. I thank you for being my "Super Shero", who leaps tall buildings and still has time to make dinner! You told me to believe I could do all things with Christ to guide me...and he has. Thank you for the many gifts of patience and courage when I fell short of your expectations. You are a phenomenal woman and my best friend... "Super Mom" and my original role model of a great human being!*
